FAC MONTHLY REPORT
FEBRUARY 2021

Doug Bostock (2-28-21 blc) **UPDATE:** Mae said that Doug continues to improve but still needs more therapy before he can come home. He enjoys talking to his friends, family and co-workers. His number is 346-254-6454. Please keep Doug and Mae in your daily prayers.

Wayne Wendel (2-28-21 blc) **UPDATE:** I received word today that Wayne is still in Rehab and doing okay. He is still breathing on his own and able to lift 2 lb weights. To get his strength back and get back to normal, it is going to take many "baby steps." Wayne and Mary Alice appreciate the many prayers then and now. No phone calls please as he continues on his journey to renewed health.

Belinda Leatherwood-Brown (2-28-21 blc) **UPDATE:** I spoke with Belinda today and she related that she is doing better. She is staying with Brenda and would love to hear from friends and co-workers. She can be reached at 713-302-0022. (2-21-21 blc) I spoke with Brenda Roberts and she said Belinda fell while taking plants outside and had to have a total hip replacement today. She is in pain right now and not taking calls. Brenda is fielding calls for her at 713-628-6888. Keep Belinda in your prayers as she recovers from her surgery and the therapy she will need in the days to follow.

Doug Bostock (2-15-21 blc) **UPDATE:** Mae said Doug has been moved out of the mandatory quarantine for all new patients and is now in a regular room. He is slowly improving but still has more to go. He has a phone in his room, 346-254-6454, and is accepting calls from everyone. Keep Doug in your prayers as he continues his road to recovery.

Steve Vaeza (2-9-21 blc) Steve talked with Jim St. John today and told him he is not getting around very good now because of his legs. He asked Jim to let everyone know that he would like to hear from old friends and partners. His phone number is 713-857-3866. Keep Steve in your prayers as he deals with his medical issues.

Doug Bostock (2-6-21 blc) **UPDATE:** I have spoken with Mae, Doug's wife, this morning and she relayed that he is still at the skilled nursing facility and is continuing his recovery. Doug has his cell phone but it is not always charged or he doesn't hear it. She asks that you can contact her on her cell at 832-589-6781.

James Haney (2-3-21 blc) Sue Gaines and I visited with JB today at his home. He is doing well but doesn't drive anymore so he doesn't get out except to go to his doctor appointments. He said he sure would like to hear from any and all retirees. JB's phone number is 832-215-8770.

Wayne Wendel (2-5-21 blc) **UPDATE:** Wayne has now been released from the hospital and transferred to a five-star rehab hospital. He will continue with his rehabilitation so many prayers are requested while he continues his journey to improvement. (2-1-21 (blc) I have been advised that Wayne has rallied somewhat and he gestured for water and was able to take in some ice chips. He still has a long way to go and still needs our prayers.
